

The major function of Rolling Thunder®, Inc. is to publicize POW-MIA issues:

To educate the public that many American prisoners of war were left behind after all previous wars and to help correct the past and to protect future veterans from being left behind should they become prisoners of war-missing in action.

We are also committed to helping American veterans from all wars.

*Dying for your  
country is not  
the worst that  
can happen.*

*Being forgotten  
is!*

**Celebration  
Honoring  
Wisconsin  
Veterans**
