920-822-8044

FOR IMMEDIATE RELEASE:

TOYS FOR TOTS MOTORCYCLE RUN TO BEGIN AT PULASKI DQ

Pulaski WI – December 6, 2008 – The Pulaski DQ Grill & Chill® will be the starting and ending point for the Rolling Thunder® Inc. Chapter 3 NE WI and US Marine Corp 2nd Annual Motor Run on June 20, 2009. The motorcycle run is a significant kickoff activity for the annual Toys for Tots drive in the area.

The Pulaski DQ was chosen in part because the unique, nearly one acre site can handle the large crowds that are anticipated with the event. During the ride, stops will also be made at Dairy Queen stores in Clintonville, Waupaca and Hortonville to collect toys for the drive. Santa will be riding his motorcycle and make stops at each location, as well.

Throughout the day on June 20, the Pulaski DQ will host a Family Fun Day open to the public. When the motorcyclists return later in the afternoon, they will enjoy the band *Musicjar* in concert at the DQ. All events, including the concert, will be open to the public. Toys will be accepted at any time through the event.

The Pulaski DQ Grill & Chill is affiliated with American Dairy Queen Corporation and owned by Dale and MaryJo Royer. Karen Birr is the general manager.

Rolling Thunder is a national grass roots veterans organization dedicated to the mission of POW/MIA awareness and helping veterans from all wars. The local chapter president is Dale Rasmussen.
